The dahl Difference

100% CANADIAN ROOTS, WORLD-CLASS PARTNERS

dahl is an independent, family-owned, Canadian company that designs and engineers premium plumbing and heating valves. To complement our Canadian legacy, we work with trusted U.S. and European partners, which allows us to expand our capabilities while ensuring the same premium quality, durability, reliability, and weight plumbers expect from dahl.

BACKED BY A LIFETIME WARRANTY

dahl's true lifetime warranty reflects our commitment to quality and durability. Our valves are guaranteed for the life of the installation and the warranty transfers with the property.

EXTENSIVE RANGE OF PRODUCT SOLUTIONS

To meet the unique, ever-changing needs of professional plumbers and wholesalers, we're proud to offer a full array of product solutions - for plumbing jobs done right.

SUPERIOR CUSTOMER SERVICE

When you call dahl, you'll never have to deal with automated menus or bots. Real people answer your call, ready to provide the expert support you need - because great customer service should always be personal.

DURABLE, DEPENDABLE PERFORMANCE

Eliminate call backs. Install dahl valves once and trust our quality and durability to do the rest.
