

SKIRTED TOILET KITS

lead-free products
dahl, the quality leader for over 60 years

No Worries
No Dezincification
No Cracking
No Kidding*

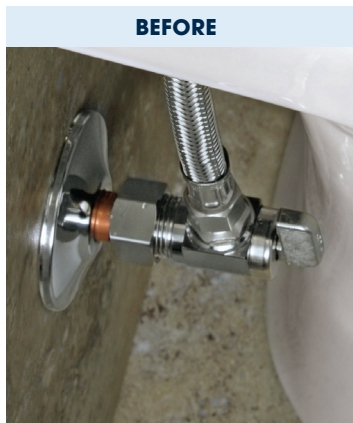

Don't cut open the wall... use **dahl!**

E33-2386-A

- Uses existing stub-out
- No need to cut open the wall to re-pipe and move the stub-out
- Quick 1/4 turn on or off
- Available with inlets for Copper, PEX, Iron, CPVC pipe and more

BEFORE

The Hard Way

With a standard supply stop, the stub-out has to be moved because the handle interferes with the toilet skirt

AFTER

The dahl Way

Our Skirted Toilet Kit is designed to use the existing stub-out

Made in Canada with American Materials

* Versus competitive alloys tested. Independent Laboratory test results available at www.dahlvalve.com
